ORDER

This case tracks the claims and analysis covered in *Voltage Pictures, LLC v. Does 1-31*, ___ F.R.D. ___, 2013 WL 2181666 at * 7 (S.D. Ga. May 20, 2013) (permissive joinder of John Doe users of peer-to-peer (P2P) file sharing program was not warranted in action alleging that they had used a P2P program to join a “swarm” of hosts to download and illegally distribute a copyrighted movie, absent allegations that each defendant participated in a common swarm at the same time as each other defendant, and actually exchanged a piece of the copyrighted material with another). In its April 15, 2013 Order, the Court denied plaintiff’s motion for discovery (doc. 6) until it submitted additional

briefing “supporting its assertion that every defendant Doe was in fact part of the same swarm and is thus appropriately named as a defendant in this case.” (Doc. 6 at 3.) The court has heard no further from the plaintiff. Within fourteen days of the date of this Order is served, plaintiff shall show why its case should not be dismissed. Failure to respond will result in dismissal.

SO ORDERED this 26th day of June, 2013.
